

# YOU SAW A TURTLE... NOW WHAT?

## Is the turtle injured?

If so, call the Ontario Turtle Conservation Centre at 1-705-741-5000 as soon as possible. They will provide direction on how to get help for the turtle.

2

## Is the turtle crossing the road?

If it is safe to do so, move the turtle across the road in the direction it is heading and then wave goodbye!

## Is the turtle nesting?

Use the online form (scan QR code below) to document the location as Ausable Bayfield Conservation may be able to collect the eggs or protect the nest.

## Is the turtle ok and awesome?

Let us know what you saw by reporting your sighting using our online form or try using iNaturalist (see below).

**iNaturalist is the largest citizen science project in the world!**

Observations can be made using a free app on your phone or from your computer. It's easy!

Visit [iNaturalist.ca](https://www.inaturalist.ca) for more information.

Already using iNaturalist? Join the 'Ausable Bayfield Conservation Authority Project' and help us track what lives here!
