Name: _____ Email: _____

Cottage Subdivision: _____

Address: _____

I attended the Public Information Open House on: June 3 in Zurich June 17 in Thedford

Do you feel that you have been provided with enough information on the topic of natural processes at work along the shoreline? Yes No

If No, please indicate what further information you require.

Do you feel that you have been provided with enough information on the topic of possible impacts of climate change to shoreline areas? Yes No

If No, please indicate what further information you require.

Do you feel that you have been provided with enough information on the topic about the use and impacts of shoreline protection structures? Yes No

If No, please indicate what further information you require.

Turn page over . . .

Have you reviewed the handout information from the February 2017 Report to the ABCA Board on the proposed steps for moving forward with updating the SMP 2000? Yes No

If Yes, should there be any changes to the proposed steps?

Do you feel that you have been provided with enough information on the topic of current ABCA Development Policies for shoreline areas? Yes No

If No, please indicate what further information you require.

Are there changes that you feel should be made to the existing policy development guidelines for shoreline areas?

Any other comments?

Thank you for your feedback

If executive members of subdivision associations wish to meet with ABCA staff on an informal basis to discuss their particular situation, contact Geoff Cade, Supervisor of Water & Planning to make arrangements.

Please return your comments at the Public Information Open House or Email: info@abca.on.ca
